Dear Kathy:

Thanks again for making it possible for Terry Peacock, Jerry Fordham and myself to update you and fellow Augusta City Officials regarding cleanup plans for the O'Connor Company Superfund Site. As we mentioned at the meeting, cleanup activity could begin as early as next month. We hope the briefing was helpful.

We have invited Site neighbors to a meeting on July 24, 1996 at the American Legion Hall on Eastern Avenue beginning at 7:00 p.m. This meeting will provide an opportunity to discuss cleanup plans and answer questions that they may have.

Our goal is to continue to work closely with the City and Site neighbors before, during and after cleanup activities and to immediately respond to questions and concerns that may arise.

Again, thanks for your help and if you have any questions at all, please contact the EPA at (617) 573-5766, the MEDEP at (207) 287-2651, or me at (207) 623-3521, Ext. 2502.

Sincerely,

Roy Lane
