Dear Ms. Goldberg:

Please be advised that the only solvent that we have disposed of was once, with Solvents Recovery Service of New England, Inc.; a total of 250 gallons. Forms are enclosed. Also, I would like to make you aware that we were told the destination of this material was Keystone Cement, Bath, PA, which leads me to believe we would have no liability at the Southington Connecticut site.

Kindest regards,

Sincerely,
PORTO PAINTING & DECORATING, INC.
