

EPA Public Information Meeting, New Bedford Harbor Site Update:

US EPA will hold a public meeting to update the public on the status of the New Bedford Harbor Superfund Site and announce a proposed sixth **Explanation of Significant Differences (ESD)** for the New Bedford Harbor Superfund Site in New Bedford, MA.

Tuesday, June 27, 2017

National Parks Building

33 Williams St, New Bedford, MA 02740

6 pm – 8 pm

AGENDA:

Each agenda item will involve a short presentation by the project manager or EPA contractor and will leave time for public questions and answers. Presenters will attempt to answer questions right away, however certain questions require additional follow-up and we will work to do so following the meeting.

- Welcome and Introductions 6:00 – 6:05 pm
Dave Lederer, EPA
Kelsey Dumville, EPA
- OU3 Explanation of Significant Differences* 6:05 – 6:50 pm
Kimberly White, EPA
- Intertidal Dredging Update 6: 50 – 7:20 pm
