National Priorities List (NPL) Site
Administrative Record (AR)

De Minimis Settlement
Index

Released Electronically: March 2016

Prepared by
EPA New England
Office of Site Remediation & Restoration

Introduction to the Collection

This document is the Index to the Administrative Record (AR) for the De Minimis Settlement for the Ottati & Goss/Kingston Steel Drum site, Kingston, NH. The Index cites site-specific documents and guidance documents used by U.S. Environmental Protection Agency (EPA) staff in selecting a response action at the site.

The administrative record is available for public review at:

EPA New England Office of Site Remediation and Restoration
5 Post Office Square, Suite 100 (OSRR02-3)
Boston, MA 02109-3912

The Administrative Record File is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that the electronic versions of this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and keyword searches across all the files. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the Administrative Record for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the Administrative Record. This metadata is provided as a convenience for the user and is not part of the Administrative Record.

Questions about this administrative record file should be directed to the EPA New England site manager.
