

EIGHTEEN MILE CREEK SUPERFUND SITE

LOCKPORT, NEW YORK

U.S. Environmental Protection Agency Public Information Sessions

Join us in July to learn about the on-going cleanup and share your questions with the project team.

★ SAVE THE DATE ★

WEDNESDAY

July 29, 2026

2:00–4:00 p.m. or 6:00–8:00 p.m.

Lockport Town Hall

6560 Dysinger Road
Lockport, NY

THURSDAY

July 30, 2026

2:00–4:00 p.m. or 6:00–8:00 p.m.

Newfane Community Center

2737 Main Street
Newfane, NY

You may have questions such as:

- What is the status of cleanup activities at the former Flintkote property?
- How is work progressing at Upson Park? When will the work be completed?
- How many residential properties have been cleaned in Lockport? How many remain, and will the agency continue to sample more properties?
- More testing will begin later this year on the creek as it flows north to Lake Ontario — what type of activities will the public see?

ALL ARE WELCOME — DROP IN ANY TIME DURING SESSION HOURS

Project team members will be on hand to answer questions and share the latest project updates.

Questions about the upcoming information sessions? Contact EPA's Community Involvement Coordinator, Mike Basile at basile.michael@epa.gov or at 646-369-0055.
