Enclosed please find photos of "Big John" salvage yard and hopefully other site at Fairmont, West Virginia. Package includes eight (8) full frame, 4X enlargements, in vertical mode of salvage yard - color infrared; two (2) 10X enlargements oblique mode of (a) Salvage Yard - color, and (b) other site - C.I.R.

Two 10X enlargements have attached alpha numeric grids for the purpose of telephonic exchange - I have duplicates.

Examples:

Salvage Yard - Drums are to be found at R/S 9/10 and 0/9.

"Other Site" - Drums J/K 9 also K/L 13. Large graded area P7 to P9 by V3 to V7. This area could have seen burial operation but appears to be at least two weeks old. Water has collected in tracks -Inclement weather of past couple weeks.
