Re: Tonolli Corporation, Nesquehoning, PA

Dear Mr. Abrams:

The U.S. Environmental Protection Agency ("EPA") is seeking information concerning a release, or the threat of a release, of hazardous substances into the environment. Pursuant to the authority of Section 3007(a) of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. § 6927(a), and Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 ("CERCLA"), 42 U.S.C. § 9604(e), et. seq., as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA"), your company is requested to furnish all information and documents in its possession, custody or control, or in the possession, custody or control of any of its officers, employees or agents which concern, refer, or relate to hazardous substances as defined by Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), particularly batteries or battery cases, which your company transported to, or stored, or disposed of at Tonolli Corporation, Nesquehoning, PA, hereafter referred to as the Site.

All information and documents requested are due to the address listed below within ten (10) calendar days of receipt of this letter.

The response should include, but not be limited to, information and documentation concerning:

1. The types and quantities of the hazardous substances sent to the Site;
2. The date(s) such substances were sent to the Site;
3. The state (i.e., liquid, solid, or gaseous) of the substances sent to the Site, and the manner in which the substances were stored or disposed (i.e., drummed or uncontained, placed in lagoons, landfilled, placed in piles, etc.);

AR200116

4. Any correspondence between your company and any regulatory agencies regarding such substances;
5. Any correspondence between your company and any third party regarding such substances;
6. The identity of, and documents relating to, any other person who generated, treated, stored, transported, or disposed, or who arranged for the treatment, storage, disposal, or transportation of such substances to the Site; and
7. Copies of any deeds, rights-of-way, leases, or other real interests which your company has in Tonolli Corporation.

Please describe any documents that were maintained by your company of the transactions with Tonolli Corporation including the date of the documents, the author of the documents, the current location of the documents and the current custodian, and all efforts that were taken to identify these documents.

In addition to the above information, if your company is privately insured against releases of hazardous wastes or substances as a result of the handling of such materials, please inform us of the existence of such insurance and provide us with copies of all insurance policies.

As used herein, the term "documents" means writings (handwritten, typed or otherwise produced or reproduced) and includes, but is not limited to, any invoices, checks, receipts, bills of lading, weight receipts, toll receipts, correspondence, offers, contracts, agreements, deeds, leases, manifests, licenses, permits, bids, proposals, policies of insurance, logs, books of original entry, minutes of meetings, memoranda, notes, calendar or diary entries, agendas, bulletins, notices, announcements, charts, maps, photographs, drawings, manuals, brochures, reports of scientific study or investigation, schedules, price lists, telegrams, teletypes, phono-records, magnetic voice or video records, tapes, summaries, magnetic tapes, punch cards, recordings, discs, computer printouts, or other data compilations from which information can be obtained or translated.

You are entitled to assert a claim of business confidentiality covering part of the submitted information, in the manner described in 40 C.F.R. Section 2.203(b). Information subject to a claim of business confidentiality will be made available to the public only in accordance with the procedures set forth in 40 C.F.R. Part 2, Subpart B. Unless a business confidentiality claim is asserted at the time the requested information is submitted, EPA may make this information available to the public without further notice to you.
