**EPA Proposes No Further Action  
At Barrels, Inc. Superfund Site  
Lansing, Michigan**

Public Comment Period: July 31 through August 30, 2020

The U.S. Environmental Protection Agency, in cooperation with the Michigan Department of Environment, Great Lakes, and Energy, is proposing no further action at the Barrels, Inc. Superfund site located at 1404 N. Larch St. in Lansing, Michigan because previous cleanup actions have eliminated the need for additional cleanup.

EPA will consider public input before making a final decision. The proposed plan and other site-related documents are available for review at: [www.epa.gov/superfund/barrels](http://www.epa.gov/superfund/barrels) and at the Lansing Public Library, 401 S. Capitol Ave.

An administrative record, which contains detailed information that will be used in the selection of the final plan, is also at the Lansing Public Library.

Send written comments to Diane Russell, EPA Community Information Office, 1300 Bluff St., Suite 140, Flint, MI 48504. You may also email comments to [russell.diane@epa.gov](mailto:russell.diane@epa.gov).

Mailed comments must be postmarked by August 30.

To request a public meeting, contact Diane Russell by August 7.
