

# Gelman Sciences Inc. Superfund Site

In March 2026, EPA added the Gelman Sciences Inc. site to the Superfund National Priorities List. This summer, EPA will hold meetings to learn how residents want to be informed and engaged, identify information gaps, and educate the community about EPA, the site, and the Superfund program.

**To schedule a one-on-one meeting, contact EPA contractor  
Caeli Cleary at 312-201-7769 or [Caeli.Cleary@tetrattech.com](mailto:Caeli.Cleary@tetrattech.com)**

You can schedule a 30- to 60-minute interview for one of the following dates and locations, available both day and evening:

### July 8-10, 2026

Ann Arbor District Library:  
Westgate Branch  
2503 Jackson Ave.  
Ann Arbor, Michigan

### July 27-29, 2026

Skyline High School Library  
2552 N. Maple Road  
Ann Arbor, Michigan

### August 17-19, 2026

Scio Township Hall  
827 N. Zeeb Road  
Ann Arbor, Michigan

If you have any questions, please contact Diane Russell, EPA's community involvement coordinator, at 989-395-3493, weekdays 9:30 a.m. - 5:30 p.m., or at [Russell.Diane@epa.gov](mailto:Russell.Diane@epa.gov)

To learn more about this site, visit [www.epa.gov/superfund/gelman](http://www.epa.gov/superfund/gelman)

### Prefer to provide input online?

EPA has an online form where you can provide the same input as you would during a one-on-one meeting.

Scan the QR code to take the survey!

### Prefer to explore these issues with your neighbors?

EPA will host community-based workshops in summer and fall 2026; details to be announced soon.
