Address(es) of Property(ies): _____

I consent to officers, employees, contractors and authorized representatives of U.S. Environmental Protection Agency entering and having continued access to the property described about (the Property) to Perform the following response actions: (1) collecting soil samples; (2) excavating Property soils; (3) backfilling the excavated area(s) of the Property with clean soil and/or backfill; and (4) restoring to their pre-excavation condition grass, other vegetation or structures altered during sampling or excavation activities.

I realize that these actions taken by EPA are undertaken pursuant to its response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601 et seq. These activities are necessary to identify and clean up contaminated soils.

I give this written permission voluntarily on behalf of myself and all other co-owners of the Property, with knowledge of my right to refuse and without threats or promises of any kind. I understand that EPA or authorized representatives of EPA will contact me before the sampling of soil begins to discuss the steps involved in the excavation and removal program, and to review all measures EPA will take to restore my Property.
