Re: Notice of Completion of Work under Administrative Settlement Agreement and
Covenant Not to Sue V-W-18 C-012 McLouth Steel Facility Trenton and Riverview, Michigan

Dear Mr. Fletcher:

The U.S. Environmental Protection Agency has, after consultation with the Michigan Department of Environment, Great Lakes, and Energy (EGLE); review of the Former McLouth Steel Facility Phase I Completion Report (Final Report); review of the PPA Punch List; and attendance at and participation in the November 18, 2021 final site visit, determined under Paragraph 101 - Notice of Completion of Work that the Demolition Requirement and all Work (with the exception of that provided for in Paragraph 3 and subparagraph 7(f) of the Statement of Work) has been fully performed in accordance with the above referenced Administrative Settlement Agreement and Covenant Not to Sue.

Sincerely,

A handwritten signature in black ink that reads "Brian Kelly". The signature is written in a cursive style with a horizontal line underneath.
