RE: Highway 71/72 Refinery Site; **LDEQ Agency Interest Number 5347**
EPA ID Number LAD 981054075
Bossier City, Bossier Parish, LA

Dear Ms. Stenger:

The U.S. Environmental Protection Agency (EPA) requested written support from the Louisiana Department of Environmental Quality (LDEQ) for EPA to initiate the de-proposal of the Highway 71/72 Refinery Site (Old Citgo) located in Bossier City, Louisiana from the National Priorities List (NPL).

LDEQ staff has reviewed the request and the Highway 71/72 Refinery Site (Old Citgo) file. LDEQ concurs with EPA and supports the de-proposal of the Site from the NPL. Glenn Springs Holdings, Inc. (GSHI) has agreed to continue management of Site remediation, specifically in regards to the light non-aqueous phase liquid (LNAPL) clean up goal.

Should you need anything further from the State on this matter, please feel free to contact me at (225) 219-1208.

Sincerely,

A handwritten signature in blue ink, appearing to read "Roger W. Gingles".
