Tar Creek OU 4

I have attached a copy of the near final Tar Creek OU 4 ROD. This is a confidential courtesy copy being provided as part of our final internal review. The target signature date is NLT 29 February 2008. I understand

that there is not much time, but We really need to complete this step. I need any comments you have by 8 February 2008. We will have advance copies available the day before signature.
