I. BACKGROUND

A. The United States of America, on behalf of the Administrator of the U.S. Environmental Protection Agency (“EPA”), the United States Department of the Interior (“DOI”) and United States Department of Agriculture (“USDA”) (collectively “United States”) filed a complaint in this matter against Blue Tee Corp (“Blue Tee”) and Brown Strauss, Inc. (“BSI”) pursuant to Sections 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (“CERCLA”), [42 U.S.C. §§ 9606 and 9607](#), seeking reimbursement of, or contribution towards, response costs incurred or to be incurred for response actions taken or to be taken, and/or payment for Natural Resource Damages (“NRD”), at or in connection with the release or threatened release of hazardous substances at the Sites (as defined below) identified in this Consent Decree.

B. The States of Oklahoma, Kansas, Missouri, Montana, Colorado, Tennessee and Illinois (the “States”) and the Eastern Shawnee Tribe of Oklahoma, the Ottawa Tribe of Oklahoma, the Peoria Tribe of Indians of Oklahoma, the Seneca-Cayuga Nation, the Wyandotte Nation, the Miami Tribe of Oklahoma and the Cherokee Nation (the “Tribes”) joined in the complaint against Blue Tee and BSI in this Court alleging that Blue Tee and BSI are liable to the States and Tribes under Sections 106 and 107 of CERCLA, [42 U.S.C. §§ 9606 and 9607](#), and similar state and tribal law.

C. In response to the release or threatened release of hazardous substances at or from the Sites, the United States, the States and/or the Tribes have taken response actions at the Sites pursuant to Section 104 of CERCLA, [42 U.S.C. § 9604](#), and will undertake additional response actions in the future. The United States, the States, and/or the Tribes have conducted natural resource damage assessment at certain of the Sites pursuant to Section 107 of CERCLA, [42 U.S.C. § 9607](#), and will undertake additional assessment and restoration actions in the future.

D. In performing either or both response and natural resource damage assessment and restoration activities at the Sites, Plaintiffs (as defined below) have incurred costs and will incur additional costs in the future.

E. Plaintiffs allege that Blue Tee and BSI are liable persons pursuant to Section 107(a) of CERCLA, [42 U.S.C. § 9607\(a\)](#), and are jointly and severally liable for response costs, and NRD, including the reasonable costs of assessment and restoration planning, implementation and monitoring, incurred and to be incurred at the Sites.

F. Plaintiffs also allege that Blue Tee, David P. Alldian, Richard A. Secrist, and William M. Kelly are liable to Plaintiffs under the Federal Debt Collection Procedures Act (“FDCPA”), [28 U.S.C. § 3301](#) et. seq. and similar state and tribal laws.

G. Blue Tee does not admit any liability to Plaintiffs arising out of the transactions or occurrences alleged in the complaint, and David P. Alldian, Richard A. Secrist, William M. Kelly and BSI do not admit, and expressly deny, any liability to Plaintiffs arising out of the transactions or occurrences alleged in the complaint.

H. The United States has reviewed the Financial Information (as defined below) and insurance information submitted by Blue Tee and BSI to determine whether they are financially able to pay response costs and NRD incurred and to be incurred at the Sites. Based upon this

Financial Information and insurance information, the United States has determined that Blue Tee and BSI have limited financial ability to pay for such response costs and NRD.

I. The United States, the States, the Tribes and Settling Defendants agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties (as defined below) in good faith, that settlement of this matter without further litigation and without the admission or adjudication of any issue of fact or law is appropriate and will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

NOW, THEREFORE, it is hereby ORDERED, ADJUDGED and DECREED:

VII. FAILURE TO COMPLY WITH CONSENT DECREE

24. If Settling Defendants fail to make any payment required by Paragraph 5 within forty-five (45) days after the required due date, any and all remaining installment payments shall become due immediately upon such failure. If any payment is not timely made, Interest shall accrue from the date of default. Interest shall continue to accrue on any unpaid amounts until the total amount due has been received.

25. Stipulated Penalty

a. If any amounts due under Paragraph 5 are not paid by the required date, Settling Defendants shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest required by Paragraph 24 (Interest on Payments), \$500 per violation per day that such payment is late. In addition, if Settling Defendants miss a payment to more than one of the payees identified in Paragraph 6 as part of the same installment payment due date, the total Stipulated Penalty amount accruing under this Paragraph 25 for those missed payee payments shall not exceed \$3,500 per day.

b. Stipulated penalties are due and payable within 30 days after the date of the demand for payment of the penalties by the United States. All payments to the United States under this Paragraph shall be identified as “stipulated penalties” and shall be made by Fedwire EFT in accordance with instructions provided to Settling Defendants by the Financial Litigation Unit (FLU) of the U.S. Attorney’s Office for the Western District of Missouri, noting the DJ Number 90-11-2-330/12.

c. At the time of payment, Settling Defendants shall send notice that payment has been made to DOJ in accordance with Paragraph 13 (Notice of Payment).

d. Penalties shall accrue as provided in this Paragraph 25 (Stipulated Penalty) regardless of whether the United States, the States or the Tribes have notified Settling Defendants of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment or performance is due or the day a violation occurs, and shall continue to accrue through the date of payment or the final day of correction of the noncompliance or completion of the activity. Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

26. If the United States, a State, or a Tribe brings an action to enforce this Consent Decree against one or more of the Settling Defendants, each such Settling Defendant shall reimburse the United States, the State or the Tribe, as applicable, for all costs of such action, including but not limited to costs of attorney time, unless the Court rules in favor of a Settling Defendant, in which instance no costs, expenses, or attorneys' fees shall be due or owing from such Settling Defendant.

27. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiffs by virtue of a Settling Defendant's failure to comply with the requirements of this Consent Decree.

28. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payment as required by Section VI (Payments) or from performance of any other requirements of this Consent Decree.

VIII. COVENANTS BY PLAINTIFFS

29. Except as specifically provided in Section IX (Reservation of Rights by Plaintiffs), the United States, the States and the Tribes covenant not to sue or to take administrative action against Blue Tee, BSI, BSI Holdings, Inc., the Brown Strauss, Inc. Employee Stock Ownership Trust (the "ESOP"), and the Trustee of the ESOP pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), or similar state or tribal laws (including as to the States and the Tribes, common law claims), regarding the Sites. With respect to present and future liability, these covenants shall take effect upon the Effective Date. These covenants are conditioned upon the satisfactory performance by Settling Defendants of their obligations under this Consent Decree, including but not limited to, payment of all amounts due under Section VI, and any Interest or stipulated penalties due thereon under Section VII (Failure to Comply with Consent Decree). As to the Settling Corporate Defendants, these covenants are also conditioned upon the veracity and completeness of the Financial Information and the insurance information provided to EPA and the financial, insurance, and indemnity certification each makes in Paragraph 51. These covenants extend only to Blue Tee, BSI, BSI Holdings, Inc., the ESOP, and the Trustee of the ESOP and do not extend to any other person.

30. The United States, on behalf of DOI, EPA, and USDA, the States, and the Tribes covenant not to sue and agree not to pursue any claims, actions, or legal challenge regarding any

money or asset transfers, which have been disclosed to Plaintiffs in writing, from Blue Tee or BSI to any of the following: Blue Tee, BSI, BSI Holdings, Inc., the ESOP, David P. Alldian, Richard A. Secrist, or William M. Kelly, and occurred before January 24, 2018.

31. Plaintiffs agree and acknowledge that each Settling Defendant's liability or potential liability under, and responsibility to perform, pay pursuant to, or comply with, any administrative or judicially-approved settlement, decree, or order, other than this Consent Decree, issued for or entered into concerning a Site identified in Section IV, above, shall be and is resolved upon entry of this Consent Decree, subject to the potential need to formally secure termination of any such judicial settlement, decree, or order. Plaintiffs will cooperate in good faith with Settling Defendants to secure termination of any such settlement, decree or order. To the extent that Settling Defendants have assignable access rights concerning the Sites, by signing this Consent Decree each of them assigns such rights to the United States and to the State in which the Site is located.

IX. RESERVATION OF RIGHTS BY PLAINTIFFS

32. The United States, States, and Tribes reserve, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within Paragraphs 29 and 30 (Covenants by Plaintiffs). Notwithstanding any other provision of this Consent Decree, the United States, States, and Tribes reserve all rights against Settling Defendants with respect to:

- a. liability for failure of a Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability based on the ownership or operation of the Sites by Settling Defendants when such ownership or operation commences after signature of this Consent Decree by Settling Defendants;
- d. liability based on Settling Defendants' transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal of a hazardous substance or a solid waste at or in connection with the Sites, after signature of this Consent Decree by Settling Defendants; and
- e. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Sites.

33. This Consent Decree is based, in part, on Settling Corporate Defendants' financial condition and ability to pay. Settling Corporate Defendants' potential liability to Plaintiffs resolved under this Decree could be substantially higher than agreed to in this Consent Decree. Therefore, in the event that any Settling Corporate Defendant either files or becomes subject to a petition for relief under the Bankruptcy Code, Plaintiffs may assert, notwithstanding any other provision of the Consent Decree, claims for the full amount of such Settling Corporate Defendant's potential liability. Each Settling Corporate Defendant reserves the right to oppose such claims on any ground other than one alleging that the amount of liability is limited by the terms of this Consent Decree. The provisions of the Bankruptcy Code and applicable non-bankruptcy law shall then govern Plaintiffs' and Settling Defendants' rights.

34. Notwithstanding any other provision of this Consent Decree, the United States, States, and Tribes reserve, and this Consent Decree is without prejudice to, their rights against Blue Tee or BSI to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, if the Financial Information or the insurance information provided by such party, or the financial, insurance, or indemnity certification made by such party in Paragraph 51, is in any material respect false or inaccurate.

X. COVENANTS BY SETTLING DEFENDANTS

35. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, the States, the Tribes, or their contractors or employees, with respect to the Sites and this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund or similar state funds, based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, [42 U.S.C. §§ 9606\(b\)\(2\), 9607, 9611, 9612](#), or 9613, or any other provision of law, relating to the Sites;

b. any claim arising out of response actions at or in connection with the Sites, including any claim under the United States Constitution, the States' Constitutions, the Tucker Act, [28 U.S.C. § 1491](#), the Equal Access to Justice Act, [28 U.S.C. § 2412](#), as amended, or at common law; or

c. any claim pursuant to Sections 107 or 113 of CERCLA, [42 U.S.C. §§ 9607](#) or 9613, Section 7002(a) of RCRA, [42 U.S.C. § 6972\(a\)](#), or state law, relating to the Sites.

36. Except as provided in Paragraph 38 (claims against other PRPs) and Paragraph 43 (Res Judicata and other Defenses), these covenants shall not apply in the event the United States, the States or the Tribes bring a cause of action or issue an order pursuant to any of the reservations set forth in Section IX (Reservations of Rights by Plaintiffs), other than in Paragraph 32.a (liability for failure to meet a requirement of the Consent Decree) or 32.b (criminal liability), but only to the extent that Settling Defendants' claims arise from the same response action or response costs or NRDs that the United States, a State or a Tribe is seeking pursuant to the applicable reservation.

37. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, [42 U.S.C. § 9611](#), or 40 C.F.R. 300.700(d).

38. Settling Defendants agree not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that they may have for response costs and for natural resource damages including assessment costs relating to the Sites against any third party who is a potentially responsible party ("PRP") under CERCLA, and similar state or tribal law, at the Sites. This waiver shall not apply with respect to any defense, claim, or cause of action that a Settling Defendant may have against any person if such person asserts a claim or cause of action relating to any of the Sites against a Settling Defendant.

XI. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

39. Except as provided in Paragraph 38 (claims against other PRPs), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section X (Covenants by Settling Defendants), each of the Parties expressly reserves any and all rights (including, but not limited to, under Section 113 of CERCLA, [42 U.S.C. § 9613](#)), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Sites against any person not a Party to this Consent Decree. Nothing in this Consent Decree diminishes the right of the Plaintiffs, pursuant to Section 113(f)(2) and (3) of CERCLA, [42 U.S.C. § 9613\(f\)\(2\)-\(3\)](#), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

40. The Parties agree, and by entering this Consent Decree this Court finds, that this settlement constitutes a judicially-approved settlement pursuant to which the Settling Corporate Defendants have, as of the Effective Date, resolved liability to the Plaintiffs within the meaning of Section 113(f)(2) of CERCLA, [42 U.S.C. § 9613\(f\)\(2\)](#), and are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all response actions taken or to be taken and all response costs, and Natural Resource Damages, incurred or to be incurred, at or in connection with the Sites, by the Plaintiffs or any other persons, except for the States of New Mexico and Utah or of the Navajo Nation associated with the Bonita Peak Site, provided, however, that if any Plaintiff exercises rights under the reservations in Section IX (Reservations of Rights by Plaintiffs), other than in Paragraphs 32.a (liability for failure to meet a requirement of Consent Decree) or 32.b (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs, response actions, or Natural Resource Damages that are within the scope of the exercised reservation.

41. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the Plaintiffs in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, [42 U.S.C. § 9613\(f\)\(1\)](#), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which Settling Corporate Defendants have, as of the Effective Date, resolved liability to the Plaintiffs within the meaning of Section 113(f)(3)(B) of CERCLA, [42 U.S.C. § 9613\(f\)\(3\)\(B\)](#).

42. Each of the Settling Defendants shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ, the States and the Tribes, in writing no later than 60 days prior to the initiation of such suit or claim. Such Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ, the States and the Tribes, in writing within 10 days after service of the complaint or claim upon it. In addition, such Settling Defendant shall notify EPA and DOJ, the States and the Tribes within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

43. **Res Judicata and Other Defenses.** In any subsequent administrative or judicial proceeding initiated by the United States, a State or a Tribe for injunctive relief, recovery of response costs, natural resource damages, or other relief relating to the Sites, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States, the States, or the Tribes in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiffs set forth in Section VIII.

XII. ACCESS TO INFORMATION AND RETENTION OF RECORDS

44. Blue Tee shall provide to the United States, the States and the Tribes, upon request, copies of all non-privileged records, reports, documents, and other information (including records, reports, documents and other information in electronic form) (hereinafter referred to as “Records”) within its possession or control or that of its respective contractors or agents relating to activities at any of the Sites including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information regarding the Sites. The requirements of this Paragraph will not prevent Blue Tee from dissolving. For clarity, the United States, the States, and the Tribes acknowledge that Records held or maintained by the Gold Fields Liquidating Trust, Peabody Energy Corporation (“Peabody”), Gold Fields Mining, LLC (“Gold Fields”), or any of their affiliated companies, contractors, employees, or agents are not within the possession or control of Blue Tee.

45. Until 2 years after the Effective Date, Blue Tee shall preserve and retain all non-identical copies of Records now in its possession or control, or that come into its possession or control, that relate in any manner to its liability under CERCLA with respect to a Site, provided, however, that if Blue Tee is potentially liable as an owner or operator of a Site, Blue Tee must retain, in addition, all Records that are known by Blue Tee to relate to the alleged liability of any other person under CERCLA with respect to that Site. Each of the above record retention requirements shall apply regardless of any corporate retention policy to the contrary. For clarity, the United States, the States, and the Tribes acknowledge that Records held or maintained by the Gold Fields Liquidating Trust, Peabody, Gold Fields, or by any of their affiliated companies, contractors, employees, or agents are not within the possession or control of Blue Tee.

46. After the conclusion of the record retention period, or at such time as Blue Tee may choose to dissolve, Blue Tee shall notify the United States, the States, and the Tribes at least 90 days prior to the destruction of any such Records, and, upon request by the United States, the States, or the Tribes and subject to the terms of Paragraph 48 (Privileged and Protected Claims), Blue Tee shall deliver any such Records to the United States, the States, or the Tribes, depending on who requests the Records.

47. If within the 2 year record retention period described in this Section XII, the United States, the States and/or the Tribes wish to obtain copies of the Records identified in Paragraphs 44 and 45 as subject to retention or disclosure but which are within the possession or control of attorneys, contractors or agents retained by Peabody or Gold Fields in Blue Tee’s name or on its behalf, Blue Tee hereby consents to the production of such Records and will

reasonably cooperate in such Records being made available to the requesting party by such attorneys, contractors, or agents.

48. Privileged and Protected Claims

a. Blue Tee may assert that all or part of a Record is privileged or protected as provided under federal law, provided it complies with Paragraph 48.b, and except as provided in Paragraph 48.c.

b. If Blue Tee asserts a claim of privilege or protection, it shall provide Plaintiffs with the following information regarding such Record: its title; its date; the name, title, affiliation (e.g., company or firm), and address of the author, each addressee, and of each recipient; a description of the Record's contents; and the privilege or protection asserted. If a claim of privilege or protection applies only to a portion of a Record, Blue Tee shall provide the Record to Plaintiffs in redacted form to mask the privileged or protected information only. Blue Tee shall retain all Records that they claim to be privileged or protected until the United States, a State or a Tribe has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in Blue Tee's favor.

c. Blue Tee may make no claim of privilege or protection regarding:

(1) any data regarding the Sites, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, radiological, or engineering data, or the portion of any other Record that evidences conditions at or around a Site; or

(2) the portion of any Record that Blue Tee is required to create or generate pursuant to this Consent Decree.

49. Business Confidential Claims. Blue Tee may assert that all or part of a Record submitted to Plaintiffs under this Section is business confidential to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, [42 U.S.C. § 9604\(e\)\(7\)](#), and [40 C.F.R. § 2.203\(b\)](#). Blue Tee shall segregate and clearly identify all Records or parts of Records submitted under this Consent Decree for which Blue Tee asserts a business confidentiality claim. Records that Blue Tee claims to be confidential business information will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to the United States, a State or a Tribe, or if EPA, DOI, or USDA has notified Blue Tee that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to Blue Tee.

50. Notwithstanding any provision of this Consent Decree, the United States, the States and the Tribes retain all of their information gathering and inspection authorities and rights, including enforcement actions related to such rights, under CERCLA, RCRA, and any other applicable statutes or regulations.

51. Certification. The Settling Corporate Defendants each certify that, to the best of its knowledge and belief, after thorough inquiry, it has:

a. fully complied with any and all EPA and State written (including email) requests for information regarding the Sites and its financial circumstances, including but not limited to insurance and indemnity information, pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), Section 3007 of RCRA, 42 U.S.C. § 6927, and state law;

b. submitted to EPA financial information that fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially changed between the time the financial information was submitted to EPA and the time Settling Defendant executes this Consent Decree; and

c. fully disclosed any information regarding the existence of any insurance policies or indemnity agreements that may cover claims relating to cleanup of the Site, and submitted to EPA upon request such insurance policies, indemnity agreements, and information.

XIII. NOTICES AND SUBMISSIONS

52. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice to a Party by email (if that option is provided below) or by regular mail in accordance with this Section satisfies any notice requirement of the Consent Decree regarding such Party.
