### NOTICE OF USE RESTRICTIONS AND RESTRICTIVE COVENANTS

Attached to and made a part of that certain Special Warranty Deed dated Sept. 24, 2010 by and between Kinder Morgan, Inc., as Grantor, and KM Upstream LLC, as Grantee

1. The Property is presently zoned heavy industrial pursuant to the 2000 Natrona County Zoning Resolution. KM Upstream LLC does hereby agree and sets forth that said Property shall not be used for any other purpose than heavy industrial as set forth in the Natrona County Zoning Resolution.
2. The groundwater under or on the Property shall not be used for any use or purpose, except for monitoring of groundwater elevations and periodic sample collection, without the express approval of KM Upstream LLC, the United States and the State.
3. If any excavation into or through the ground surface at the Property is conducted and soil is going to be sent off site for any reason, the soil will not be disposed of, applied or used at property zoned for residential use unless it is tested in accordance with an EPA or Wyoming DEQ approved methodology and shown to be safe for residential use.
4. The Property shall not be used for any purpose that may cause or result in a violation of any federal, state, or local laws, ordinances, or regulations related to environmental conditions and contaminants on or under the Property.
5. The Property shall not be used for any purpose that is determined to create, cause, or result in risk to human health or the environment related to environmental conditions and contaminants on or under the Property as determined by the United States, State, or any other governmental agency having jurisdiction over the Property.
6. The Property shall not be used for any purpose inconsistent with any existing remedy agreement, decision document or other applicable agreement or document or decree or order, or for any purpose that interferes with the implementation or completion of any response actions required thereby.
7. The restrictions which are imposed upon this Property shall run with the land and be binding upon KM Upstream LLC and its successors, assigns, future owners, future lessees, sub lessees and occupants of the Property, including persons who take title to the Property as heirs, and their invitees, guests, agents, employees or persons acting under their control or direction. The restrictions are imposed for the purpose of protecting the public health and the environment and to prevent interference with the performance and maintenance of any response actions required by the United States, State and any other governmental agencies having jurisdiction over the Property.
8. KM Upstream LLC, on behalf of itself and its successors, transferees and assigns, does hereby agree that the United States and the State, their successors and assigns shall have the right to enforce any and all terms contained herein.
9. The restrictions on the use of the Property may not be modified, amended or terminated by KM Upstream LLC, its successors, transferees and assigns, without written approval of the United States or the State. In the event that KM Upstream LLC conveys, transfers or assigns all or any part of its right, title and interest in and to the Property, KM Upstream LLC, the United States, and the State shall have the retained and reversionary right to enforce the terms and conditions hereof.
10. KM Upstream LLC agrees that in the event of KM Upstream LLC's default or non-compliance with the terms of this Notice of Use Restrictions and Restrictive Covenants, the United States and the State shall have the right of specific performance of this instrument and the right to obtain from any court of competent jurisdiction a temporary restraining order, preliminary injunction and permanent injunction to obtain such performance.
11. It is KM Upstream LLC's intent that this Property be encumbered by this Notice of Use Restrictions and Restrictive Covenants and that such restrictions run with the land and are enforceable by the United States and the State for the benefit of the public.
12. This Notice of Use Restrictions and Restrictive Covenants shall be interpreted in all respects in accordance with the laws of the State of Wyoming, resolving any ambiguities and questions of the validity of specific provisions so as to favor restricting use of the Property to uses that are protective of human health and the environment and that will not interfere with the performance and maintenance of

any response actions required by the United States, State, or any other governmental agencies having jurisdiction over the Property.

13. If any provision of this Notice of Use Restrictions and Restrictive Covenants, or the application thereof to any person or circumstance, is found to be invalid, the remainder of the provisions of this Notice of Use Restrictions and Restrictive Covenants, or the application of such provision to persons or circumstances other than those as to which it is found to be invalid, as the case may be, shall not be affected thereby.
