Manifest Discrepancy Notice

Manifest #: 90350031

The attached manifest was found to contain the manifest discrepancies listed below. Any significant manifest discrepancies must be noted in section 19 of the manifest; however, we have included this manifest discrepancy notice with your return copy of the manifest in an effort to assist you in avoiding manifesting errors on future shipments.

Table 1 Federal Regulation Required Items

Item Number	Description of Required Information
1	Generator's correct U.S. EPA ID Number must be 12 digits, followed by a five digit manifest document number of your choice (zeros are acceptable).
2	The number of pages in the manifest package, including any continuation sheets, must be entered. If only one manifest and no continuation sheets were used, then a one (1) must be entered.
3	Generator's correct mailing address must be entered here. This address does not have to be the physical location from which the waste was shipped.
4	Generator's correct telephone number (including area code), the number to call for information regarding the shipment, must be entered here.
5 or 7	Transporter's full company name must be entered here, no abbreviations are allowed on manifests unless authorized by the U.S. Department of Transportation.
6 or 8	Transporter's correct U.S. EPA ID Number, 12 digits, must be entered here.
9	The correct name and physical street address of the Kettleman Hills Facility must be entered here. This is "Chemical Waste Management, Inc., 35251 Old Skyline Road, Kettleman City, CA."
10	The correct U.S. EPA ID Number of the Kettleman Hills Facility must be entered here. Our EPA ID Number is "CAT000646117."
11	The correct U.S. DOT shipping description, including Proper Shipping Name, Hazard Class, and ID Number must be entered here. If an RO, must also have "RO" and EPA Waste Code Number(s).
12	The correct type of containers must be entered here. The type of container must utilize the codes listed on the manifest. (incorrect number of containers is a significant discrepancy)
14	The correct unit of measure for the total quantity must be entered here. The unit code must utilize the codes listed on the manifest.
15	For TSCA-regulated PCB wastes: (a) each article or container must have a unique identifying number for that article/container listed here; (b) each article or container or bulk load must have the earliest date of removal from service listed here; and (c) if the unit of measure for quantity in Section 13 is not kilograms, with the accompanying "K" in Section 14, that quantity must be converted to units of kilograms and listed here.
16	The handwritten signature and date of the waste generator must appear here.
17 or 18	The handwritten signature and date of the Transporter must appear here.

Table 2 California Required Items

Item Number	Description of Required Information
B	California Board Of Equalization taxpayer ID Number, 12 digits, must appear here.
C or E	The California Highway Patrol/Department of Health Services vehicle certification number must appear here.
I	The correct California and U.S. EPA Hazardous Waste ID Numbers must appear here.
J	The chemical composition must appear here. The Chemical Waste Management Profile Number may be substituted for the complete chemical composition.

If you have any questions regarding this notice of manifest discrepancy, please feel free to contact your Customer Service Representative at (800) 222-2964.

Please print or type. Form designed for use on (2-pitch typewriter).
