

84. Nothing in this Settlement shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Settlement, other than the Settling Funding Parties as provided in Paragraph 80 (Covenants by Performing Parties to Settling Funding Parties) of this Settlement. Except as expressly provided in Section XXI (Covenants by Respondents), each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Settlement diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

This additional language is expressly provided for in Appendix D of the Settlement Agreement for Funding Remedial Design, CERCLA Docket No. 10-2019-0094. Otherwise the terms and language of the ASAOC remain unchanged.
