# What we are doing & why it matters

- ▶ Your input will inform the creation of this online information hub for the cleanup
- ▶ Asking different groups of people how and where they want to see information about Portland Harbor
- ▶ Website will increase Portland Harbor information accessibility and transparency

# Our approach

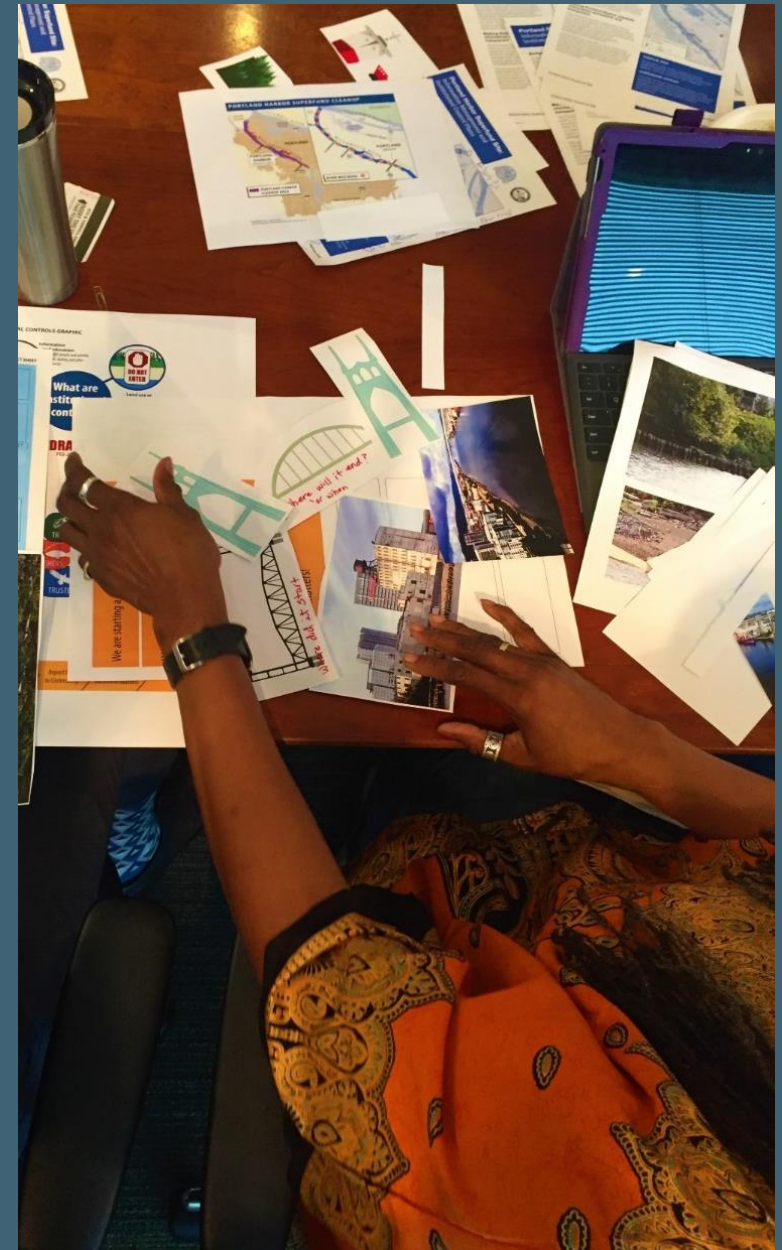

- ▶ Recognize importance of partner and stakeholder input for project success
- ▶ Assess partners' and stakeholders' data and information needs through:
  - ▶ Active engagement
  - ▶ Community-led outreach
  - ▶ Online workshops
  - ▶ Surveys

## **Partners and Stakeholders:**

- Communities
- Agencies and Tribal governments
- Businesses and waterfront properties
- Advanced data users
